Great Notley Photography Club

Photography Exhibition
Digital Photography and a Modern Community
Presented in the Braintree Library Gallery
7th April to 4th May 2010

Great Notley Photography Club was formed in July 2008 and is an exciting Digital Photography Club for people who want to enjoy their photography and improve their skills amongst friendly and like-minded people. The club welcomes people of all standards and ages and is open for those who would like to develop their interest and skills in Photography.

If you are interested in learning about photography in a fun and friendly atmosphere then please contact gnpc.photo@googlemail.com
